

Connecting Learning to the Real World

High School

EVERFI

EVERFI empowers high school teachers to bring critical skills education into their classrooms. With digital lessons focused on topics like financial literacy, entrepreneurship, STEM exploration, and health & wellness, EVERFI helps schools and educators prepare their students to be successful in the real world. Thanks to hundreds of partners who share this mission, EVERFI provides these resources to K-12 schools and students **free of charge**.

In addition to interactive digital resources aligned to state standards, educators also receive:

Real time reporting to see students' baseline knowledge and growth

Lesson plans and discussion questions

Access to EVERFI's ever-growing library of digital curriculum

Student scholarship opportunities

Personalized support from a local School Implementation Manager
