Dear **Student/Employee**,

As you may already know, **<INSTITUTION>** has partnered with EVERFI, whose mission is to help students address critical life skills such as alcohol abuse prevention, sexual assault prevention, and financial literacy in higher education institutions across the country. Each year over 5 million students and employees complete these courses.

As part of our comprehensive prevention program for **students and employees**, **<INSTITUTION>** expects you to complete **<enter course name(s)>**. This online education will empower you to make well-informed decisions about issues that affect your years at **<INSTITUTION>** and beyond.

*<If you are requiring the course, this is a good place to state your incentives/punitive measures. Using terminology noting the course is required/that participants must complete it or face a penalty (e.g., hold on course registration, fine, etc.) has been found to yield greater participation.>*
