- Click the blue **"Start"** button next to the course.

Add a New Course to Your Student Dashboard

(for students who *already* have an EVERFI account)

If you already have an EVERFI account, you do not need to create a new one – you can use your existing account to start another course. Follow these directions:

- Go to everfi.net and sign in using your same **username** and **password** that you used for the last course.
- In the upper right hand corner where it says **"Enter Course Code"** enter your **registration code** provided by your teacher: _____

See picture:

The screenshot shows a dark blue rectangular area containing a white input field with the placeholder text 'Enter Course Code' and a green button with the text 'Add Course'.

- Click the green **"Add Course"** button and **re-enter your date of birth** only. Click **Next**.
- The new course will show up on your dashboard.
- Click the blue **"Start"** button next to the course.
