

Remote Learning Lessons

Districts across the country are partnering with EVERFI to ensure that students continue to have access to high-quality educational resources during this time of remote learning. Through EVERFI's online lessons, students will acquire real-world skills, like career readiness, financial literacy and health & wellness.

These are online courses that students go through independently. There are quizzes embedded throughout so you can track learning.

Step 1: Set Up Your Teacher Account:

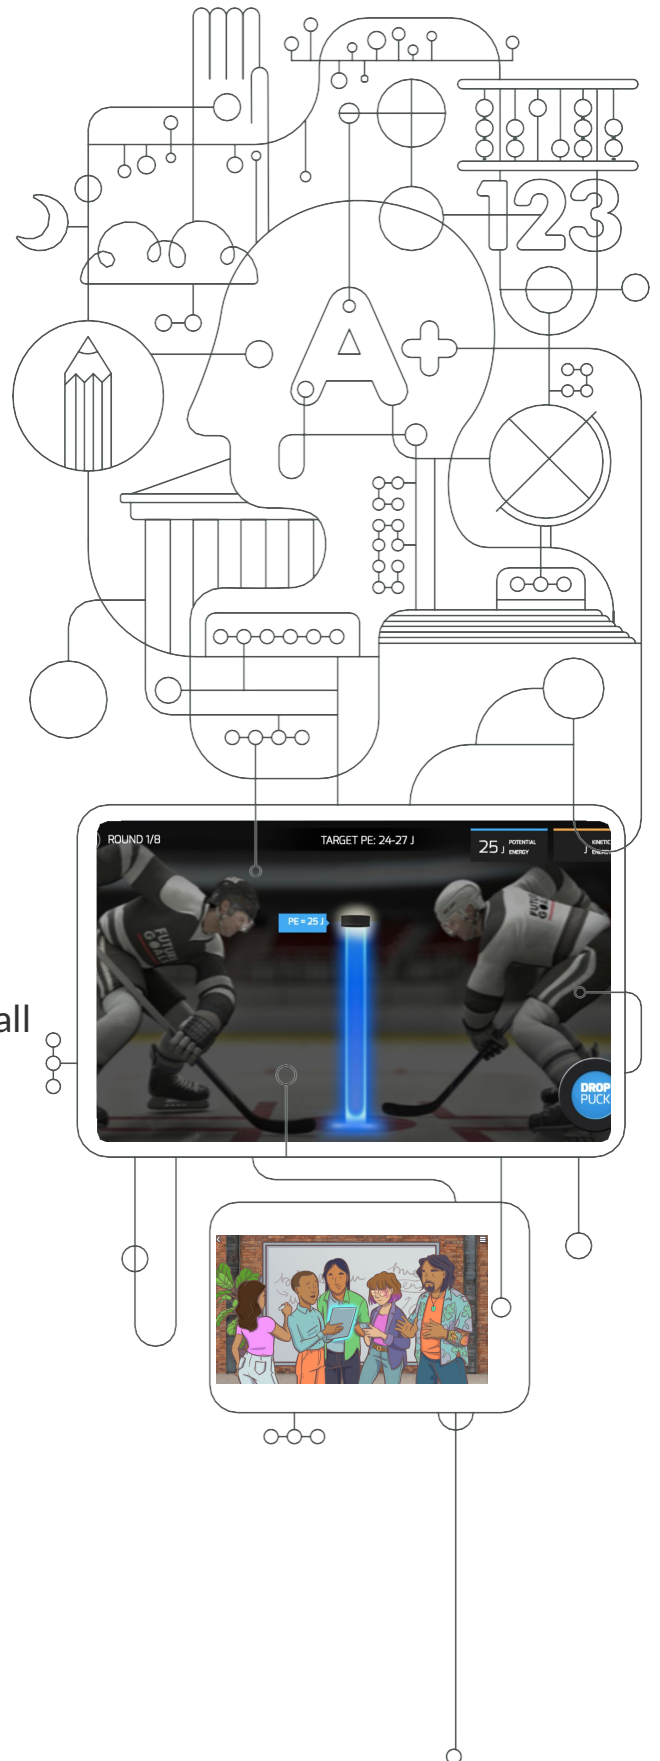

- Visit everfi.com/newteacher
- Enter your state and school
- Fill out your account information
- Select a course you're interested in
- Once logged in, click **+Add Course** to see all available resources

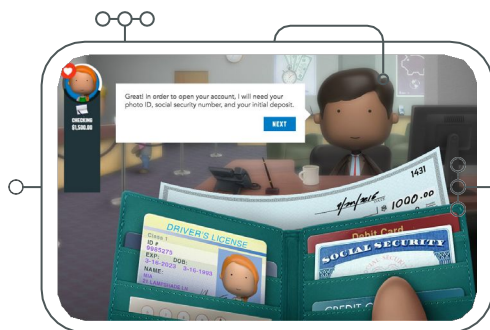

Step 2: Create Your Classes:

- Click **Create Class**
- Fill out the required information
- Click **+Add Courses** to select multiple courses
- Click **Create** to generate a class code
- Allow students to self-register using the code at everfi.com/register
