Equip Students with Real-World Skills

EVERFI® provides K-12 schools with a library of free courses addressing critical topics like financial education, workforce readiness, STEM, and health & wellness. The standards-aligned curriculum is delivered through EVERFI's learning platform with built-in assessments and automatic grading to save educators' time. EVERFI is a trusted solution for a network of 750,000+ educators and 13,000+ school districts seeking to deliver the essential knowledge and skills students need to thrive in an ever-changing world.

Benefits for Educators

Interactive Digital Courses

Library of engaging, standards-aligned digital courses with real-world scenarios

Automatic Grading

Real-time reporting on EVERFI's learning platform to see students' baseline knowledge and growth

Offline Lessons Available

Companion offline lessons, activities, and planning resources to bring the digital learning to life

Dedicated Regional Team

Personalized ongoing support, professional development, and trainings throughout the year

Trusted, High-Quality Products

1EdTech Data Privacy Certification

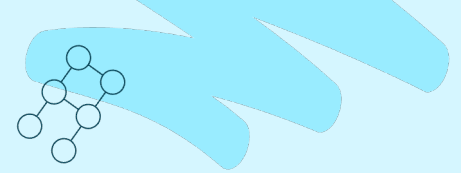

After a rigorous data privacy policy vetting process, EVERFI earned 1EdTech's Data Privacy Certification. This recognition confirms EVERFI's commitment to maintaining a high level of privacy standards and serves as a signal that EVERFI's products can be trusted when it comes to protecting a user's privacy.

ISTE Seal: Curriculum

After extensive analysis conducted by trained reviewers from the International Society for Technology in Education (ISTE), EVERFI was awarded the ISTE Seal for having both content and learning experiences built on best practices for digital-age learning. The Seal serves as a mark of high-quality product design.

EVERFI Course List

EVERFI's **learning platform** hosts a library of free K-12 courses addressing critical real-world topics. The curriculum is standards-aligned and includes both digital lessons as well as companion offline lessons to help bring the learning to life.

All EVERFI courses are research-based. Our content library recently earned a Research-Based Design Product Certification from Digital Promise.

Several of our courses are also evidence-based.

- Available in Spanish
- Available in French
