

NO COST RESOURCES

Equip Students with Essential Life Skills

Everfi® provides K–12 schools with a library of free educational resources addressing essential life skills topics like personal finance, workforce readiness, sustainability, data science, and mental wellness. The curriculum-aligned courses are delivered through Everfi's learning platform with built-in assessments and automatic grading to save educators' time. Since 2008, Everfi has been a trusted solution for educators seeking to deliver the essential knowledge and skills students need to thrive in an ever-changing world.

Benefits for K–12 Schools

Interactive Digital Courses

Library of curriculum-aligned, research-based digital courses with interactive, real-world scenarios

Automatic Grading

Real-time reporting on Everfi's learning platform to see students' baseline knowledge and growth

Offline Lessons Available

Companion offline lessons, activities, and planning resources to bring the digital learning to life

Dedicated Regional Team

Personalized ongoing support, professional development, and trainings throughout the year

Trusted, High-Quality Products

ISTE Seal: Curriculum

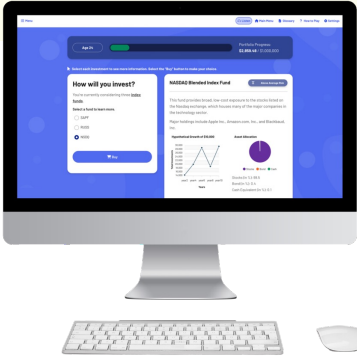

After extensive analysis conducted by trained reviewers from the International Society for Technology in Education (ISTE), Everfi was awarded the ISTE Seal for having both content and learning experiences built on best practices for digital-age learning.

Research-Based Learning Product Design Certification

Everfi's content library was validated by Digital Promise to have been designed based on learning science and empirical research. All Everfi courses readily fulfill the rigorous ESSA Level IV criteria for efficacy evidence.

Everfi Course Listing

Everfi's learning platform hosts a library of K–12 courses addressing essential life skills—available at no cost. The courses are curriculum-aligned, research-based, and include both digital lessons as well as companion offline lesson to help bring the learning to life.

PLATFORM FEATURE

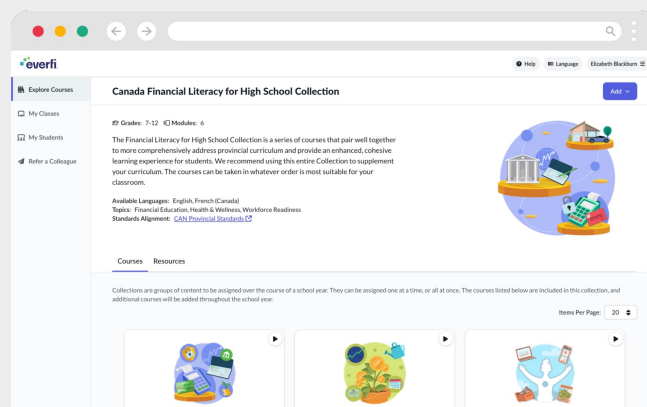

Canada Financial Literacy for High School Collection

The Financial Literacy for High School Collection is a series of financial education courses that pair well together to more comprehensively address curriculum expectations across Canada to provide an enhanced, cohesive learning experience for students. Educators can easily assign these complementary courses through the Add All to Class button. A downloadable guide is available on your Teacher Dashboard outlining how these courses address curriculum in several provinces.

Courses included in the Collection:

- Everfi: Financial Literacy for High School
- Marketplaces: Investing Basics
- Minding Your Money: Skills for Life
- Venture: Entrepreneurial Expedition
- Crypto Foundations
- Econ Foundations: Economics for High School

We recommend using this entire Financial Literacy for High School Collection to supplement your curriculum. The digital courses can be taken in whatever order is most suitable for your class.
