Scholarship Application Planning

Directions: Before you start brainstorming, answer the following questions.

What is the name of the scholarship you're applying to?	
Which Everfi digital course is required?	
What lessons did you complete for this application?	
What is the essay question on the scholarship application?	

Brainstorm ideas for your essay:

Key components to a strong personal essay:

PERSONAL

Relate it to **your** life. Many scholarships have hundreds or thousands of applications. Draw on your personal experience—what would make your essay stand out in this year's application pool? What is unique about you?

INFORMED

Show what you know. A strong essay will relate the online Everfi lesson to your own life. How can you apply what you learned to your decisions and actions now and in the future? Reference key vocabulary words!

PROFESSIONAL

You should write in complete sentences, checking your grammar and spelling. Consider sharing your drafted essay with your teacher or a peer to proofread it before you submit your final essay.

Draft Your Scholarship Application Essay

Directions: Use these next two pages to draft your essay after you have identified the scholarship you are applying to, completed the required Everfi digital lesson(s), and brainstormed your essay.

This page is designed for drafting a scholarship application essay. It features a spiral binding on the left and horizontal ruling lines for writing. The page is decorated with school-related illustrations: a yellow sticky note with a purple pencil on the left edge, and a blue folder with a yellow pencil on the right edge.
